Enhance your outdoor space with LumeGen String Lights (aka café lights or patio lights). The filament style bulbs provide warm light, perfect for providing ambient light in outdoor spaces such as patios, gazebos, decks, open lawns, and more. Available in a variety of configurations, such as length, bulb type, and wire gauge, you can be sure to find the set perfect for what you need.

### Product Features

- **Wire Type:** SJWT
- **Wire Gauge:** 20AWG
- **Voltage:** Solar Low Voltage
- **Socket Type:** E12 or E26
- **Bulb Shape:** G40 or S14
- **Bulb Wattage:** 0.5W G40 | 1W S14
- **Battery Type:** Li-Ion
- **Charging Time:** 8 Hours
- **Warranty:** 1 year warranty

### Safety & Performance Listings

- IP44

### Bulb Specifications

Wattage	Lumens	CCT	Base
0.5W LED	30	2700K	E12
1W LED	60	2700K	E26

Replacement bulbs are sold as 25-packs SKUs:

LEDG40B1000055714 - 0.5W G40

LEDS14B1000055712 - 1W S14
